

# VOLLEYBALL, ANYONE??

The 2011 Care & Share Campaign will continue the new tradition of competing in a state-wide Agency Volleyball Tournament to benefit CT FoodBank & Foodshare.

Agencies are invited to form teams of 10 to compete for the glory, and honor, that comes from a well-fought victory to help fight hunger. Want to put an end to that divisional rivalry within the Agency? Want to challenge that other agency for supremacy on the court? Now is the time!

For one night, the State Armory will be turned into a “field of dreams” for a good cause—providing food to the most needy in Connecticut who are served by the CT Food Bank and Foodshare.

## Let the Challenges Begin!
